#### CONGRATULATING MARIE MAIER, OF HOPE TOWNSHIP, NEW JERSEY

#### HON. LEONARD LANCE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 25, 2009

Mr. LANCE. Madam Speaker, I rise today to congratulate Marie A. Maier of Hope Township, New Jersey as she reaches an amazing milestone in life and celebrates her 100th birthday on Thursday, March 26, 2009 with her family, friends and local community and governmental leaders.

I have personally known Marie Maier for many years and she has always been a wonderful inspiration to everyone around her. This is exceptionally so for members of her family, her friends and her neighbors.

Marie A. Kroener was born on March 26, 1909 in New York City to Henry and Evan Kroener. On November 29, 1933, she was married to Hermann R. Maier and she enjoyed an outstanding business career as a legal assistant for what is now modern day Texaco. She also served as an accountant for her husband's business, Educational Placements, and worked in her father's restaurant and microbrewery on Staten Island.

Marie and her husband founded Educational Products Company, which manufactured the first plastic cookie cutters in the United States and they further distinguished themselves as the owners-operators of the renowned Land of Make Believe, which is the oldest and largest water and amusement park in New Jersey.

Additionally, Marie has given generously of her time, talents and resources to a wide range of civic and community organizations, including as one of the founding members of

the Sussex and North Warren Girls Scouts Council and President of North Warren Girl Scouts Council, as Past President of the Hope Historical Society and as an active and tireless member of the Blair Women's Club.

Marie takes pride in her children and she takes especial delight in her two grandchildren and four great-grandchildren. As she observes the important milestone of her 100th birthday, her family, friends and community leaders are especially appreciative of her valuable and irreplaceable presence in their lives.

Marie Maier continues to make amazing contributions to her family and to her community.

It is my pleasure to congratulate her on her 100th birthday and to share her wonder life story with my colleagues in the United States Congress and with the American people.

#### CELEBRATING THE LIFE OF EARL LLOYD

#### HON. LINCOLN DAVIS

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 25, 2009

Mr. DAVIS of Tennessee. Madam Speaker, I rise today to celebrate and acknowledge the achievements of a trailblazer in the National Basketball Association. Earl Lloyd retired to Cumberland County, Tennessee, in my Congressional District after a distinguished career as a basketball player and coach and with a historic superlative: the first African American to play in the NBA.

After a promising start at West Virginia, Mr. Lloyd was drafted to play with the Washington Capitols in the NBA. Soon thereafter, he signed with the Syracuse Nationals. In 1955, after three years with the Nationals, Mr. Lloyd set another milestone by helping to lead his team to an NBA Championship, making him one of the first two African Americans to win a Championship. Players and sportscasters nicknamed Mr. Lloyd "The Big Cat" for his height and speed, and he finished his playing career with an average of 8.4 points and 6.4 rebounds per game.

With an enviable career in the NBA behind him, Mr. Lloyd continued on in the NBA as an assistant coach with the Detroit Pistons. Years later, after marrying and raising two children, Mr. Lloyd marked another first for African Americans when he was promoted as a non-playing coach with the Detroit Pistons.

Chicago sportscaster Johnny Kerr once remarked in Sports Illustrated that if people know who Jackie Robinson is, why don't they know about Earl Lloyd? Mr. Lloyd might say that his achievement went unnoticed because basketball, as a sport, had yet to really capture the attention of a wide American audience. People who know Mr. Lloyd well, however, will speak to his humility in the face of all he has accomplished.

I ask that my colleagues rise with me today to recognize the life's work of a trailblazer who did so much for his sport and for African Americans across the country.
